Mr. W.A. Wilder

Raleigh N.C.

Dear Mr. Wilder:

Please pardon my delay in answering your letter, but I have just began to get my affairs for the coming season in shape.

In going over my training camp schedule I find I will be in Birmingham Ala. Sunday May 4th. We then open in Newark in the league season Sunday May 11. If you could use us in Raleigh during that week, we could easily come that way on our way home. I think we will be playing the Birmingham team a couple days, but I am sure we could come to Raleigh during the week.

I will expect to hear from you. State what day or days you would prefer.

Ask Hooker if he received his contract. I had expected it back by this time.

I hope your plans for the coming season are working out for you as you wanted them to. I do not have any idea how you can locate Billy Jackson. If I hear of any worth while prospects I will let you know.

Very Truly Yours
